

ESTATE GIVING AT THE UMKC SCHOOL OF LAW

An estate gift is one of the most meaningful ways to show your support to the UMKC School of Law. These gifts allow you to leave a legacy, make an impact, and, if you choose, be recognized alongside your peers.

COMMON TYPES OF ESTATE GIFTS

- Wills
- Living trusts
- Beneficiary designation (retirement funds, life insurance, etc.)

CHOOSE YOUR IMPACT

- Scholarships
- Area of greatest need
- Community impact legal clinics and practical student training

HOW YOU'LL BE APPRECIATED

All estate gifts are honored with membership in the President Harry S. Truman Legacy Gift Society at the UMKC School of Law. These special donors receive a personalized, engraved brick in the Truman Terrace at the Law Building, as well as recognition on the School of Law website. Donors may decide to remain anonymous or decline any or all recognition.
