

Ireland Summer Law Study Abroad

May 12 - June 6, 2024

Dear Prospective Summer Ireland Student:

Thank you for your inquiry concerning our Summer Program scheduled for May 12 – June 6, 2024, in Dingle and Cork, Ireland. The program will be conducted in phases beginning with European Union Law I and Comparative Criminal Law at the Discart Cultural Center in Dingle and then European Union Law II at the University College Cork campus in Cork.

The program is 25 days in duration and ends on Thursday afternoon June 6 giving you the option to return home on Friday June 7 or spend the weekend exploring more of Ireland or beyond.

Faculty include American law schools professors from the University of Missouri-Kansas City and the University of Akron, and an Irish academic and former faculty member from University College Dublin and former Dean of Bangor Law School. A copy of the schedule of classes, activities, course descriptions, and faculty bios are available in the application materials. Students earn 5.0 credit hours for course work in the program. We are also proud to offer two externships for an additional 2 credit hours with the High Court of Ireland (by selection) that will allow well-qualified participants an opportunity to spend additional time in Dublin, Ireland working with the High Court.

Course work will begin with a morning class in Dingle, Ireland on Monday, May, 13, 2024 at 8:30 AM to be followed by Comparative Criminal Law. Classes typically begin at 8:30 AM each day and are over by 1:00 PM. There are late starts on subsequent Mondays to allow for longer weekend excursions. The program calendar, course materials, links to health facilities and attractions will be posted in Westlaw TWEN. Evaluations will be by written examination at the end of each course, and students will receive a Pass/Fail grade unless their school requires a letter grade or permits a “credit in lieu of grade” option. While a letter grade is reported for Visiting Students, those grades are usually converted to a Pass/Fail as well. (You should check with your home institution concerning grading policies while attending another university or program.) There are no weekend classes or program activities as there are lots of activities for you to enjoy at both Dingle and Cork on the weekends. There is only one travel Sunday (when we travel from Dingle to Cork), leaving weekends free for participants to plan other activities and adventures.

The cost for this 5-credit summer program is \$7,750. This fee covers instructional fees, course materials, multiple-occupancy housing with your own room, travel between program locations, and limited program sponsored activities. Housing will be provided through Stay Dingle and offers you a private bedroom and shared bathrooms, kitchen, living room in spacious holiday townhomes with contemporary furnishings with all the modern conveniences and free Wi-Fi. Both Cork and Dingle accommodations sleep between 3-6 persons with each student assigned a private bedroom.

Dingle accommodations are located within a short walking distance from the classroom, restaurants, shopping, Dingle nightlife, and the Dingle Harbour with all its water activities such as deep-sea fishing, kayaking, paddleboarding, Wild Atlantic boat tours to the the Blasket Islands, as well as beautiful beach walks near some of the locations used in some of Star Wars films and more.

There are also many hiking trails and biking rentals available for those wanting to explore the great outdoors, including the world-famous Connor Pass only a 15-minute cab ride from Dingle town. You will also hear the locals converse in Gaelic, the ancient Irish language.

At the conclusion of the Dingle portion of the program we will load the program bus and move the program to the University of College Cork in Cork, Ireland. The Cork facilities are comparable to many university dorms and offer you a private bedroom/bathroom, living area and kitchen with free Wi-Fi in a secure gated community in Victoria Mills Student Residences.

This accommodation is located near grocery stores, restaurants, the beautiful Cork University campus, with direct bus lines taking you to Cork city centre for shopping, many area tourist attractions, and Cork nightlife. Located a short distance away is Cork Airport, offering you an opportunity to spend a long weekend in a completely different country if desired or Cork railway station offering direct routes to Dublin for the weekend or to Cobh, the last stop of the ill-fated Titanic. Train tickets from Cork to Dublin and cities throughout Ireland are very affordable when booked online.

Adult companions may accompany registered students and participate in activities at a cost of \$4,150. Each companion has a private bedroom in the same unit as their companion student. Airfare to Ireland is not included in the program fee for students or their companions.

All participants (students or companions) are required to purchase Geo Blu Student Travel insurance for approximately \$40.80 per 30 days through the UMKC Global portal.

Passports are required for all overseas travel and passports are the applicant's responsibility. Ireland does not currently require an entry visa or ETIAS for U.S. citizens but it is possible that that may change before our travel. It is your responsibility to verify what additional documentation may be needed to travel outside of Ireland. Most UMKC foreign visiting or non-UMKC foreign students interested in attending are required to have a passport and obtain a Visa to enter Ireland. Those interested in visiting any European Country outside of Ireland may be required to complete ETIAS registration for a small fee. Currently there are no restrictions requiring Covid testing or quarantine for travel between the US and Ireland. Anyone denied travel clearance will be responsible for making their own arrangements for any extended stays. In addition, students may be asked to test, isolate, or attend class online for a period to protect other participants due to illness or any Covid related mandates while on the program.

Students are responsible for meeting any travel/accommodation requirements for arrival at Shannon International Airport on or before Sunday, May 12, 2024 to catch the program hired motor coach to our first location in Dingle. We will depart Dingle on Sunday, May 26, 2024 on board the program's hired motor coach bound for Cork with a stop at the Muckross Estate for a tour and lunch, with a rest stop or two along the way. At the conclusion of the program students will once again assemble outside the student residences and take the program's hired coach back to Shannon International Airport or make their own arrangements for the destination of their choosing.

Registration is open to all U.S. and foreign law students in good academic standing that have completed at least one year of full or part-time law study at any approved law school. Space is limited and **enrollment is offered on a first-paid, first-reserved basis**. Anticipated enrollment is 25 U.S. students and no more than 5 companions for the 2024 program. Law graduates may elect to enroll for non-degree credit for a not-for-credit (audit only, no exam) basis. In such cases MO CLE credit will be earned (Kansas and Illinois credit may be applied for upon request). Attorneys requiring credit in other states will be provided a Certificate of Attendance, which they may use to substantiate their own application for credit in other states. To apply, a **nonrefundable** application fee of \$250 per person plus a **non-refundable** deposit of \$250 per person must be received before space is reserved. The deposit is credited toward program cost and may be made in person to Libby Johnson or by going online to <https://umkclaw.link/irelandpayment>

In addition, all participants are required to register travel and upload some documentation with the UMKC Study Abroad Global Engagement office. Instructions will be provided once the portal is open and available for registration.

You will, of course, get a refund if:

1) space is not available; 2) the course is canceled; or 3) your application is declined.

Students interested in prolonging their stay in Ireland following the conclusion of the program to gain valuable experience in the Irish legal system may apply for one of two externships offered by the High Courts of Ireland. Consideration will be given to students in good standing that have completed at least one year of full-time study and have a cumulative grade point average of 3.2 or better. A separate application and resume are required to apply. To remain eligible, externship applicants must pass all courses attempted on the Ireland program with a C+ or better and be financially prepared to cover all living expenses during their extended stay in Dublin. The cost of the 5-credit summer program plus the 2-credit courts externship is \$9,650 plus all living expenses and transportation costs that are incurred by the student after the conclusion of the 5-credit summer program while completing the internship with the High Courts of Ireland. If interested, please ask for the High Court application materials from the Program Coordinator.

UMKC professors Julie Cheslik and Ryan Copus along with program co-founder, Professor Dermot Cahill, will serve as Program Co-Directors. Program administrator Libby Johnson will be on-site during all phases of the program. Professor Dana Cole from the University of Akron is our visiting faculty member and is teaching Comparative Criminal Law in Dingle. Contact information for all faculty and staff will be posted on Westlaw TWEN and in the predeparture materials.

Questions concerning the substance of the academic program should be directed to the Course Director, Professor Julie Cheslik, at cheslikj@umkc.edu at UMKC. Questions concerning program administration should be directed to the Program Coordinator, Libby Johnson, at (816) 666-2255, or by email to johnsonea@umkc.edu.

UMKC School of Law offers a 25 day/5 credit summer program of onsite instruction in Dingle and Cork in the Republic of Ireland. Professor Julie Cheslik will be the Director for the Dingle portion of the program and Professor Ryan Copus will be the Director during the Cork portion of the Program. Professor Dermot Cahill will act as the Foreign Co-Director along with the Program Administrator for the duration of the program. This program offers students an opportunity to learn and experience the Emerald Isle from two magnificent locations focusing on European Union Law and Comparative Criminal Law. Our very own Professor Copus will also be guest lecturing a portion of EU II Law during the Cork portion of the program. Students should expect to depart a U.S. airport of their choice on or before May 11th to arrive in Shannon by May 12th by Noon to meet up with other students, faculty and staff and ride the program hired coach onwards to Dingle, Ireland.

In EU Law, Parts I and II (Professor Cahill) you will learn about how the European Union makes law and how the Member States legal systems accommodate EU laws within their own national systems; you will study the role and leading case law of the European Court of Justice in the European Union legal order; get to understand why the courts of the 27 EU Member States accept its authority and apply its rulings; investigate how judicial dialogue takes place between the EU Court and the Member States' National Courts in hearing a case involving EU Law issues; and how the Four Freedoms involving Free Movement of People; Goods, Services and Corporations works to make the European Union the largest free trade market in the world.

You will also study the powers of the EU's key Institutions (the Commission; the Council; the European Parliament; etc.) This will show the role played by these institutions in a new type of legal order, which makes for an interesting comparison and contrast with our own Federal institutions and shall raise some interesting questions about how national judges accept the Supremacy of EU law over National laws. Professor Copus will offer students rare guest lecture on EU and US Perspectives on use of Machine Learning to Predict Crime.

In Comparative Criminal Law (Professor Cole) you will have the opportunity to compare select criminal law systems from around the world and discuss the role of punishment and criminal codes, and how the various approaches are designed to protect key rights and liberties, while contrasting the very different approaches to law enforcement between Ireland and the United States.

In addition, you may also have an opportunity to apply for a field placement with the Chief Justice of Ireland Summer Externships program for an additional 2 credit hour externship opportunity and additional 3 or 4 weeklong stay in Dublin Ireland (exact dates TBA) to enhance your learning experience. It may be necessary for those two selected individuals to complete the last few days of the Ireland program via Zoom and take the final exam with a Zoom Proctor while participating in the externship should they overlap. The High Court typically announces externship dates in Jan or Feb.

May 12, 2024, Arrival in Ireland: Upon arriving at Shannon International you will make your way to airport lobby where you will be met with faculty/staff to wait for all student arrivals. The assembled group will begin loading luggage on Foyle Coaches approximately 30 min to hour before the last U.S. arrival. We will depart as close to Noon as possible to arrive in Dingle, Ireland between 3 – 5 PM. Upon arrival in Dingle, students will be given their accommodation details and directed to their accommodation. Inside you will find an assortment of ingredients to help prepare for the group evening Spaghetti dinner later that evening. After dinner faculty will take the group on a short walking tour of Dingle pointing out shops, cafes, grocery stores and popular nightlife venues. The group will assemble early the next morning outside the residence gate for a faculty lead walk to the Disart and your first class.

Program Start (May 13, 2024): As mentioned earlier, the program begins in Dingle, Ireland with European Law I and Program Foreign Co-Director, Professor Dermot Cahill. Professor Cahill is a graduate of the famed College of Europe the oldest College devoted exclusively to European studies, has worked in the European Commission and in Major Law Firms, and has taught EU law as a core subject for over 25 years in Ireland and UK universities and has been a Visiting Professor in France, USA , China, Malaysia and Australia. He also serves as the Examiner in European Law for Foreign Lawyers at the Solicitors' Law School, the Law Society, and as External Examiner in EU Law for the Barristers Law School, The King's Inns. So, you will also learn a lot from him about the role of Solicitors and Barristers in the legal system and become familiar with the instructor and familiarize you with the course content and EU law culture and approach to law making and judicial decision-making in the European Union. Thus, introducing you to the concept of supranational legislation and law-making, which the EU has pioneered, and which has such influence around the world.

While in Dingle you will also be introduced to Professor Dana Cole from Akron University Law School for your second class, Comparative Criminal Law. Professor Cole is a graduate of The University of Dayton School of Law and received his J.D., Magna Cum Laude, and was ranked 3rd out of 109 University of Dayton Law Review Academic achievement awards (top grade) in Contracts, Family Law, and Torts Outstanding Advocate, National Trial Competition, Region VI, and Student Bar Association third-year class vice-president in 1986. Professor Cole is a tenured associate professor at the University of Akron School of Law where he teaches, Evidence, Criminal Law, and Trial Advocacy. He developed Akron's innovative Summer Trial Academy and has served as the director of the program since its inception. Before joining the faculty at Akron, he practiced law full-time for 11 years. He has extensive jury trial experience in State and Federal courts. He continues to represent clients in both civil and criminal matters. He has also taught in the Harvard Law School Winter Trial Advocacy Workshop each year since 2002 and joined the teaching faculty of the Trial Lawyers College in 1996, became a member of the Board of Directors in 2004, and was elected Secretary to the Board from 2014 until 2020. He is a frequent speaker at trial advocacy workshops, seminars, and programs throughout the country.

Dingle, Kerry County, Ireland: Dingle, Ireland is located on the Wild Atlantic Way and is frequently listed as one of the most beautiful and culturally interesting places in the world to visit. There you will experience stunning scenery, holiday cottage accommodation and experience traditional Irish culture where many of the inhabitants speak Gaelic as their first language and

English as their second. While there students typically hike down the Connor Mountain Pass with its world famous views, go horseback riding, deep sea fishing, check out the local whiskey distillery, take a day trip via bus to Killarney National Park, ferry to the Blasket Island with its wonderful literary heritage or take a Sea Safari Tour or see one of Star War's filming locations. Students will also take an hour of program sponsored Irish set dancing lessons which you will put into practice during a group farewell dinner at the internationally famous TP's Tavern on Ballydavid, with our own ceili band and dance competition.

At the conclusion of class in the Dingle portion of the program, you will sit for your first exam for Comparative Criminal Law May 24th but will sit for your EU I exam the following Monday in Cork. You will have one final day to explore Dingle before assembling outside the gate on Sunday morning, May 26th to load luggage on the program hired coach, Foyle Coaches, and begin the journey to our next destination, Cork, Ireland. In addition to making a few rest stops (as needed along the way) we will also make a stop at the Muckross Estate where you will tour the grounds and have lunch at this historic heritage mansion. The estate offers a tour of the house, gardens as well as traditional farms at your leisure and offers visitors a craft shop and very nice restaurant on-site.

May 26, 2024, Arrival in Cork: We will be staying at the Victoria Mills student residences while in Cork. Upon arrival students will be given their keycard and asked to settle in for study and your first EU exam the following morning. Class will begin the next morning at 10 AM (Monday, May 27th) but typically begins at 8:30 AM and ends by 1 PM each day except on the following Monday and final exam day, (Thursday, June 6th) allowing you plenty of time to explore Cork the surrounding area later. Shortly after the first EU I exam and one hour lunch break we will again meet outside the residences to begin EU II with a visit to the Cork Criminal Courts and/or Spike Island. At the conclusion of the program, faculty will meet with students at a mutually agreed venue for a final get together before departing to your next destination of choice or return home.

Victoria Mills is located on the University Cork Campus. While in Cork you may want to visit the world famous Blarney Stone, purchase Blarney Wool, visit Cobh and learn about the sinking of the RMS Lusitania which brought the United States into World War I and Cobh's connection to the Titanic; or simply hangout in/around Cork City, a very friendly city, checking out The Old English Market with its amazing organic food, Fota Wildlife Park with its exotic animals in natural surroundings, Cork City Gaol to see how the Victorians approached incarceration; or for art lovers visit the Crawford Art Gallery and Glucksman Gallery or take the Ballycotton Cliff Walk, visit the Blackrock Castle Observatory, or visit ritzy Kinsale yacht port, with its historical past in conflicts between the English and French, go shopping and enjoy the cafés, restaurants, and nightlife in addition to visiting the Michael Collins Center (Ireland's War of Independence intelligence leader), and generally learn more about Ireland's early history in Ireland's second city. If that isn't enough to satisfy your adventurous spirit, Cork City has its very own international airport and easy access to national rail and bus for short jaunts outside the city or Ireland after study hours or over the weekend (e.g., to Dublin or Limerick)! After a 11-day stay in Cork City, on June 6 students should be prepared to vacate their lodging by 4 PM for the program hired coach trip back to Shannon International Airport. Students will need to book overnight lodging near the Shannon Airport for a Friday morning airfare back to the U.S.

Chief Justice Externship Program (Date TBD): offers two applicants (separate application), approved by Ireland's Chief Justice summer program, a field placement experience in Ireland's Superior Courts in the capital, cosmopolitan Dublin, for an additional 3 or 4 weeks (DATE TBD) working in the High or Supreme Courts (or 2 weeks remote, depending on Irish Public Health Regulations in force at the time). While there the 2 selected students may clerk for one of the Supreme or High Court Justices, attend lectures provided by the courts, meet other participating students from Ireland and the one other American University accepted to participate in the program. The selected applicants are required to pay all expenses incurred during the externship period as well as arrange their own accommodations (Court may offer students housing through Trinity College) and transportation and for two additional credits for \$9,650 plus expenses mentioned above. Covid and Group Travel

At the time of writing, COVID-19 is at a very low incidence in Ireland due to over 96% population vaccination. However, as advised by the World Health Organization and the CDC, there is always the possibility of new variants emerging in the future. Therefore, we encourage students participating in our Ireland program and visiting abroad to be fully vaccinated and boosted against COVID-19 in good time prior to the start of the program, ideally receiving your booster as well (Irish medical authorities advise that unvaccinated persons face risk of serious illness and hospitalization compared to those who are fully vaccinated and boosted). Vaccines not required to attend the program but encouraged, to minimize risk of program disruption occasioned by unvaccinated students becoming ill in a foreign country, and to allow everyone to be comfortable in close quarters in the accommodations and classroom.

Please be aware that when the Covid pandemic was at its height in 2020, many social venues and institutions in Ireland required proof of vaccination to gain entry, so again proof of vaccination gets round this should such rules ever come back into force. So being able to offer proof of vaccination (should such situation arise again should new variants arise) will allow you to enjoy all the delights that Ireland

has to offer without your progress being unduly impeded. Students who are vaccinated will also have greater freedom of movement and access to events as previous rules, required persons who were not vaccinated to be subjected to mandatory isolated quarantine.

Students testing positive for Covid -19 or becoming ill during or before U.S. departure and unable attend class or travel may attend classes online and rejoin the program later. Students testing positive for Covid or becoming ill during the program will be isolated in their private bedroom and arrangements made for delivery of goods at their expense which may include costs for an extended stay and transportation costs but may still attend class online. Students testing positive for Covid or becoming too ill to travel at the conclusion of the program will be required to pay for all associated costs such as food, accommodations, goods and services and transportation during their extended stay as a result. Faculty/Staff will be onsite to assist with arrangements but will not offer any monetary compensation or assistance. In addition, you may be asked to test during the program, therefore it is recommended that each participant purchase and carry Covid self-testing kits with them or be prepared to seek testing in Ireland. Please read the attached Assumption of Risk carefully before applying as you will be required to agree during registration for travel with the university.

Travel Insurance

UMKC requires all program participants to purchase insurance from [GeoBlue Travel Insurance](#) for emergency medical evacuation and repatriation of remains to remain eligible for the program. In addition, participants may want to consider additional travel insurance to meet specific travel plans or concerns. **Please read all policy details carefully to ensure it meets your needs.**

Passports

U.S. National participants are responsible for obtaining a current passport necessary to enter Ireland. Entry Visas are not required for U.S. Citizens. Most UMKC foreign visiting or non-UMKC foreign students interested in attending may be required to have a passport and obtain a Visa to enter Ireland. Please talk to the program coordinator as soon as possible about arranging UMKC supporting documentation to support your visa application. In addition, UMKC foreign visiting students should notify UMKC Study Abroad and Global Engagement office of their travel plans if re-entering the U.S. at the conclusions of the summer program. For more information or assistance, please contact the Program Coordinator.

Accommodations and Facilities

Participants will be housed in holiday housing in Dingle within a short walk of The Disart classroom, restaurants, groceries, and Dingle nightlife. The Dingle Holiday Homes feature private bedrooms, 2 shared bathrooms, kitchen and living area. Upon our move to Cork participants will be housed at Victoria Mills' student residences at University College Cork. The Victoria Mills facility features a private bedroom/bath combination, shared living area and kitchen. All allow for self-catering to ameliorate meal expenses. The university facilities are modern and comparable to most dormitories on U.S. campuses. Classes are conducted within easy walking distance at each location in modern classrooms at University College Cork, and in a historic nun's school in Dingle. Internet access is available in all accommodations, the classrooms and area merchants in Cork and Dingle. Students are responsible for securing their own accommodations and transportation for any travel away from the program and in the event for refused travel due to Covid – 19. Cost is based on many factors so please check with Libby Johnson at johnsonea@umkc.edu for less than full-time attendance and/or companion rates. See student estimated budget for more detailed information.

Credit Transfers

This program is approved for up to 5.0 hours of academic credit by the American Bar Association. UMKC will provide supporting documents, but ultimately the decision to accept transfer credit and grades is determined by each academic institution. Further, overseas study programs may not meet your school's residency or accelerated graduation policies. Accordingly, you are strongly advised to confer with your law school's dean or registrar **prior to applying**. Non-UMKC students are required to request transfer of an official transcript and pay the current transcript fee. All transcripts are provided by a National Student Clearinghouse using the UMKC Transcript Ordering Center.

Exams & Grading

There will be a separate written examination for each course. The primary instructor will grade exams. Alphanumeric grades will be provided to registrar that will then be converted to credit or pass/fail. UMKC is the credit-granting institution and is responsible for evaluating student performance for credit.

Financial Aid

Students seeking financial aid for travel abroad **must apply to their home school's financial aid office**. UMKC will provide supporting documents and Consortium Agreements for visiting students upon request from the students' home institution's financial aid office. UMKC student questions regarding financial aid and/or Consortium Agreements should be directed to the UMKC Student Financial Aid Office. You are **strongly advised to visit with your financial aid representative** to determine summer financial aid eligibility **before applying to the program**. Typically, law students must be enrolled in at least 5 credit hours to qualify for Federal Financial Aid.

Honor Code

All students participating in a UMKC sponsored study abroad program are subject to the policies of the Honor Codes and Standards of Conduct of UMKC, their home institution, host institutions and the laws of host countries.

Scholarships

Information regarding scholarships and travel awards for current UMKC students may be obtained on the UMKC Study Abroad and Global Engagement website at <https://www.umkc.edu/study-abroad/index.html> or telephone (816) 235-5759 for further updates. Additional scholarship information is available on the UMKC Student Financial Aid and Scholarships website at <https://finaid.umkc.edu/>. All visiting students should check with their home school's financial aid office to obtain scholarship and/or grant opportunities information that may be available to them.

Supreme Court Externship (Deadline to apply for externship is March 1st)

All Ireland program participants (former and current, resident/non-resident applicants) are encouraged to apply to spend an additional 3 or 4 weeks in Dublin, Ireland **DATE TBD** to work with Judges of the Superior Courts on the Chief Justice of Ireland's Summer Externship program in Ireland's High Court or Supreme Court, as allocated by the Chief Justices. As one of only two US law schools eligible to participate in the program, we have 2 openings available to UMKC summer program participants, so do not delay in applying if interested. Applications for the court's selection are sent over by UMKC to Ireland in mid-February so the Chief Justice can decide and give selected students ample time to look and secure housing for the externship period in Dublin and make other plans as needed, e.g., return travel. Students are responsible for paying for housing, transportation, and all other living expenses while undertaking the externship in Ireland. Professor Dermot Cahill will be liaison and contact person for all things related to the externship while you are in Ireland. Financial Aid is available and is considerably more for those extending their stay on an externship. Participating students are required to submit weekly time records and write a comprehensive paper at the end of the externship to receive a pass/fail credit for the 2 credit hours. **Due to uncertain Covid-19 concerns, the potential exists for the court to go to a two-week remote position. Final determination will be made in May 2024, if warranted.**

Students

The core group of students will from the University of Missouri-Kansas City School of Law, but we seek participation from a highly diverse group of visiting students. Although the program is not exclusive of foreign students, it is unlikely any other nationality will be present among the student group. A complete list of prior participating university visitors is available on request.

Cancellation Policy

The Ireland program had operated successively each year since its inception 20 years ago until the Covid 19 pandemic brought disruption, leading to program cancellation in 2020 and 2021. Although measures have been taken to prevent further cancellation, Covid-19 and the associated uncertainty surrounding periodic travel restrictions, shutdowns etc. makes it impossible to guarantee against future cancellation. Therefore, UMKC reserves the right to cancel for **insufficient enrollment** or **under extraordinary circumstances** such as natural disaster, war, political instability, travel or university restrictions or emergency before the program begins. In such unlikely event, you will be notified by email and program fees paid including deposits will be refunded within 20 days of such notification. University of Missouri - Kansas City

Acknowledgement and Assumption of Risk and Liability

Wavier: COVID-19

I acknowledge and understand that it is my responsibility to carefully read and ensure that I understand the alerts issued for the country(s) where my study abroad program is located issued by the [U.S. Center for Disease Control and Prevention](#) and the [U.S. Department of State](#), and to contact my UMKC study abroad program coordinator immediately regarding questions I may have.

I acknowledge and understand that, at this time, the University of Missouri-Kansas City requires all university-related international travel to be reviewed and approved. In addition, I understand that, in accordance with the UMKC Student International Travel Policy, UMKC does not support travel to a country with a CDC travel warning (level three or four) or a Department of State travel advisory level three (reconsider travel) or level four (do not travel). UMKC will support my study abroad at this time solely with the approval of the Student International Travel Risk Advisory Committee (ITRAC) and the UMKC Office of the Provost, and with my agreement to the terms of this acknowledgment and assumption of risk and waiver of liability.

I acknowledge and understand that, while UMKC continues to monitor and put in place preventative measures to mitigate the risk of COVID-19 on UMKC study abroad programs, the university cannot guarantee that I will not be exposed to or infected with COVID-19 while participating on an UMKC study abroad program. Further, I acknowledge that there are inherent elevated risks associated with participating in international travel and participating in a study abroad program could elevate the risk of contracting any contagious disease.

I understand that I have a responsibility to care for myself and others on my study abroad program and in the host country and community. I agree to comply with all directives and safety protocols outlined by the UMKC affiliated program or host institutions and/or UMKC program leader(s), the host country and community, and the CDC to reduce the spread of disease. This may include, but is not limited to, social distancing when possible, use of masks when called for and proper handwashing. COVID-19 mitigation requirements may vary by program due to location, activities, and available data.

I acknowledge that I have considered any pre-existing health conditions in light of travel during a pandemic.

I agree to report any sign of illness to the contact person for the UMKC affiliated program or host institution or UMKC program leader(s) as soon as they are detected.

I acknowledge that countries, educational institutions, study abroad providers, other authorities, airlines, or other carriers may impose COVID-19 related requirements such as self-isolation/quarantine, testing, temperature checks, vaccinations and other measures or procedures at any time. I agree to comply with applicable orders or discontinue my program, understanding that this may include additional isolation before or after my study abroad program or costs of return, and I agree to pay any additional related expenses I may incur.

I understand that failure to comply with the host country and community COVID-19 mitigation requirements may result in high monetary fines and that I am responsible for paying any fines I incur.

Additional Conditions of Participation:

In addition to the Program Confirmation and Conditions of Participation common to all study abroad participants, as a student studying abroad during the COVID-19 pandemic, I agree to take the following specific COVID-19 mitigation precautions:

Prior to arrival at my study abroad program, I agree to:

- Attend and actively participate in pre-departure COVID-19 orientation sessions
- Read, understand, and agree to adhere to all policies, guidelines, and on-site direction that I receive from the University of Missouri-Kansas City.
- Monitor my health for 14 days prior to arrival. I am aware that I may be asked to produce the results of a COVID-19 test during the course of my travels as many airlines and countries are requiring a negative COVID-19 test. I am also aware that I may need to repeat testing as requested at any time during the program.
- Bring essentials for COVID-19 monitoring and prevention including a thermometer for daily temperature monitoring, a supply of masks for use during the duration of my program, and a functional smart phone with an international data plan for use in case of emergency and, as required in many countries, to download an app to monitor exposure to COVID-19.
- Delay my arrival if I have any signs of illness, am feeling unwell or have been in direct exposure with a known COVID-19 positive person and have not produced a negative COVID-19 test result.

I understand that it is strongly recommended that I obtain a COVID-19 immunization prior to participating in my study abroad program and bring proof of my vaccination. Proof of COVID-19 vaccination is required to enter some countries. In addition, some UMKC affiliated programs and host universities abroad require vaccination against COVID. Proof of vaccination also may be required to participate in certain activities on my study abroad program and in-country academic and recreational activities may be significantly limited for students who are not vaccinated.

During participation on my study abroad program, I agree to:

- Conduct daily self-health checks, including temperature, and stay home if I am symptomatic, or if I have reason to believe I have been exposed to someone who is actively sick with COVID-19.
- Observe and practice good hygiene and cleanliness, especially in shared spaces or common areas.
- Wash my hands before I go to my classes or participate in program activities.
- Follow all local regulations for visitors in my host city which may include quarantining for the first 14 days, additional COVID-19 testing or screening, wearing a face covering, social distancing, and downloading any COVID-19 applications that are required by local officials to my smartphone.
- If I, or anyone I have come into contact with during the program, tests positive for COVID-19, I agree to comply with requests for self-isolation, contact tracing and other measures deemed necessary to contain the spread of the virus and pay any costs for self-isolation and COVID-19 testing that are at my expense.
- Limit non-program related activities, adhere to curfews and limit interaction with non-program participants as directed to avoid the possible spread of COVID-19.
- Comply with all directives made by the UMKC program leader, on-site personnel, local authorities and UMKC. This may include, but is not limited to, wearing face coverings and social distancing.
- Self-isolate and not attend in-person classes, events, or activities if I am unwell or have reason to believe that I have been exposed to COVID-19.

- Seek reasonable provisions/exceptions from the UMKC program leader or on-site staff if I am unable to follow any of these guidelines or opt to study remotely.
- Know that if I violate a local law or regulation relating to COVID-19, I will be solely responsible for any penalties, including fines, quarantine mandates, and/or deportation. Neither the University of Missouri-Kansas City nor the UMKC affiliated program or host university can intervene on my behalf.

If asked, I agree to:

- Cover my nose and mouth with a face covering
- Participate in all contact-tracing activities to the best of my ability. My honest participation may include:
 - Disclosure of my close-contact association
 - Self-isolation/quarantine
 - A COVID-19 test

I understand that compliance with all of the above protocols is mandatory.

Awareness and consideration of risk

I understand and have carefully considered the risks associated with study abroad during the COVID-19 pandemic.

I understand that these risks include:

- Risk of infection and disease associated with the coronavirus (COVID-19). This risk may include illness, bodily harm, or death.
- UMKC may not be able to provide assistance or support.
- Providers of emergency assistance (including UnitedHealthcare Global, GeoBlue and others) may not be able to provide assistance or support. In some cases, UnitedHealthcare Global will not provide emergency security assistance in case of a political emergency or natural disaster if a country has a Department of State travel advisory level four (do not travel) on the day of travel.
- The U.S. embassy/consulate nearest to my location may temporarily close or suspend public services.
- The U.S. embassy/consulate nearest to my location may not be able to provide emergency assistance.
- In the event of an emergency, it may be difficult or impossible to find shelter or transportation for departure.
- Flights may be suspended or canceled.
- There may be limited or no access to hospitals, emergency medical care or medications.
- There may be risks associated with shortages of food or other supplies, crime, civil unrest, or other causes.

I also understand that there may be other risks, some of which may not have been brought to my attention by UMKC and some of which may not be foreseeable. I understand that risks can never be completely eliminated.

I agree to monitor Department of State and CDC travel updates as well as national and international news sources regarding health, safety and travel issues for my study abroad location(s). I know conditions may change rapidly and I will stay informed of current events on a daily basis by registering with and obtaining updated health and security information from the [Department of](#)

[State's Smart Traveler Enrollment Program](#) or my home country embassy/consulate. I will remain enrolled in UMKC's AlertTraveler mobile security software and continue to receive related alerts.

In addition to consulting the sources above, I have been advised by UMKC to undertake my own efforts to learn about and consider risks associated with travel to and study abroad in my host country(s).

Program/travel changes

I understand and acknowledge that UMKC retains discretion to withdraw approval for my study abroad participation and request my departure. I understand and acknowledge that this decision is discretionary and may be based on changes in the proposed itinerary, purpose or need for study abroad; changes in health, safety, or security conditions; best interests of UMKC; or other considerations. I understand and acknowledge that housing arrangements may change with no notice in order to keep participants safe.

In addition, I understand and acknowledge that I will be responsible for any non-recoverable costs or financial losses incurred as a result of my withdrawal or termination from the program. These costs may include, but are not limited to, transportation, housing, or other fixed expenditures, as well as other program expenditures incurred up to the point of my withdrawal.

Costs I pay to external entities (travel agents, embassies, airlines, etc.) are outside of UMKC's control and I understand I will not be reimbursed for these costs by UMKC.

I understand and acknowledge that no refunds will be issued for any fees charged by UMKC if I choose to withdraw from this study abroad program after on-site activities have begun.

I understand and acknowledge that I am bound by the program provider and host institution's cancellation and refund policies regarding withdrawal from the study abroad program, **which may prevent me from receiving a refund even if I withdraw prior to the beginning of my study abroad program. It is my responsibility to be familiar with and abide by all refund policies for my study abroad program.**

Voluntary participation

I understand and acknowledge that UMKC does not require me to travel to or participate in a study abroad program. I am voluntarily participating in study abroad with the knowledge of CDC and Department of State warnings and advisories for my study abroad location(s).

Assumption of risk

I understand and acknowledge that UMKC is not responsible for my safety and I assume full responsibility for all risks associated with my travel to and participation in my chosen study abroad program.

Waiver and release of claims

I hereby release, waive, discharge and covenant not to sue the Curators of the University of Missouri, its trustees, officers, agents or employees (hereinafter referred to as "releasees") from any and all liability, claims, demands, actions and causes of action whatsoever arising out of or relating to any loss, damage, illness or injury, including death, that may be sustained by me, or to any property belonging to me, in connection with traveling to or staying in my study abroad program location(s). I voluntarily assume full responsibility for any risks of loss, property damage or personal

illness or injury, including death, that may be sustained by me, or any loss or damage to property owned by me, as a result of traveling to or staying in my study abroad program location(s). I further hereby agree to indemnify and hold harmless the releasees, and each of them, from any loss, liability, damage or costs that may incur as a result of my travels. It is my express intent that this release shall bind the members of my family, if I am alive, and my heirs, assigns and personal representative, if I am deceased, and shall be deemed as a release, waiver, discharge and covenant not to sue the above name releasees.

I have read and agree to abide by these conditions.

.02 When Made. Reports of suspected Honor Code violations must be made within 45 days of the discovery of the suspected violation.

.03 Informal Disposition or Submission of Case to Student Prosecutor. The Associate Dean shall have the authority to investigate the reported suspected violation of the Honor Code before initiating formal disciplinary procedures and give the student the opportunity to present his/her personal version of the incident or occurrence. After doing so, the Associate Dean may, for good cause shown, informally dispose of the case, and, after explaining to the student the various options available, shall fix a reasonable time within which the student suspected to have violated the Honor Code shall accept or reject a proposed informal disposition. If no informal disposition is deemed appropriate by the Associate Dean or the student rejects a proposed informal disposition, the Associate Dean shall notify the student prosecutor of the report of a suspected violation of the Honor Code. Should the Prosecutor disqualify him or herself pursuant to 5.04, the SBA President shall fill the temporary vacancy pursuant to 5.05(b). Any statements made by the student suspected of violating the Honor Code to the Associate Dean in the course of the informal disposition process shall not be communicated to the student prosecutor or be admissible against the student in subsequent Honor Court proceedings.

.04 Investigation by the Prosecutor. Upon notification by the Associate Dean of the report of a suspected violation of the Honor Code, the Prosecutor shall conduct an investigation.

Any student called upon to supply information relevant to the investigation, other than the accused, shall comply as fully as possible.

At the completion of the investigation, if the Prosecutor feels the evidence is insufficient to justify prosecution.

The Prosecutor shall so notify the SBA President and the Associate Dean, and with their concurrence the case may be dropped.

If the Prosecutor determines that probable cause exists to prosecute a person for a violation of the Honor Code, he or she shall send notice of this finding to the Associate Dean of the Law School.

.05 Submission of Case to Grand Jury.

1. Upon notice that the Prosecutor has determined that probable cause exists to prosecute a person for a violation of the Honor Code, the Associate Dean shall convene a grand jury hearing.
2. The Associate Dean shall select six names at random from the Law School student body. The Associate Dean shall summon the people selected to attend a meeting with himself and the SBA President. At this meeting the Associate Dean shall inform the students selected that the first three qualified students selected will be required to serve on a grand jury to determine whether or not probable cause exists to believe the Honor Code has been violated. The Associate Dean may excuse any grand juror for cause and replace that grand juror with an alternate. The Associate Dean shall inform the grand jury of their membership on the grand jury and all grand jury proceedings are confidential. The SBA President and the grand jurors shall select a date, time and place for the grand jury proceeding, providing that the selection of such a date will not unreasonably delay the Honor Court proceedings. The SBA President shall inform the Chief Justice and the Prosecutor of the date of the hearing.
3. The Prosecutor shall have the duty of providing the Chief Justice with a copy of the items of evidence that form the basis for his or her determination that probable cause exists to prosecute for a violation of this Honor Code. The copies provided by the Prosecutor to the Chief Justice shall have all identifying characteristics removed except as necessary to establish probable cause that a violation of this Code has been committed. The Prosecutor shall place a copy of these items of evidence and a summary of why he or she believes probable cause exists in a signed and sealed envelope. The envelope of evidence shall be delivered to the Chief Justice before the grand jury proceeding. If the suspected violation is plagiarism, the Prosecutor shall provide the Chief Justice with the original sources that the grand jury needs to adequately evaluate the evidence provided in the packet. The Chief Justice shall make arrangements to provide the grand jury with the source material. This packet shall also contain a form for the grand jury to report its findings.
The investigative power of the grand jury is strictly limited to the evidence presented by the Prosecutor. The grand jury shall not independently investigate the matter. The grand jury may submit written questions to the prosecutor through the Chief Justice.
4. The Chief Justice of the Honor Court will initiate the grand jury proceeding by informing the grand jury that the grand jury proceedings are to be confidential. The Chief Justice should elicit from the grand jurors signed statements that the grand jurors understand fully the duty of confidentiality. The Chief Justice shall advise the students that the information presented to the grand jury will be known only to the student prosecutor and themselves and that a breach of confidentiality may be an Honor Code violation.

5. After the Chief Justice has fulfilled the obligations imposed by section (d), he or she should give the grand jury the sealed envelope provided by the Prosecutor containing the evidence and remove him or herself from the grand jury proceedings.
6. After the Chief Justice has left the grand jury room, the grand jury will break the seal on the evidence envelope and examine the contents. The grand jury shall examine the evidence and determine whether probable cause exists for finding a violation of this Code. A decision shall be made within a reasonable period of time, not to exceed ten (10) days.
7. The finding of probable cause or the lack of probable cause will be determined by a majority vote of the grand jurors. This vote is binding on all members of the grand jury.
8. After the grand jury has reached a decision, it shall record that decision on the form provided for such purpose in the envelope described in 6.04(c) and sign it. The evidence shall be returned to the envelope provided by the Prosecutor, sealed, and signed. The envelope shall be delivered to the Chief Justice in a place and manner prescribed by the Chief Justice.
9. The Chief Justice shall deliver the envelope with the grand jury finding to the Associate Dean. The Associate Dean shall break the seal on the envelope in the presence of the Prosecutor who shall verify that the envelope contains all the items of evidence the Prosecutor originally placed in the envelope.
10. The Associate Dean shall reveal the finding of the grand jury only in furtherance of the procedures of this Honor Code and then only to the necessary parties.

.06 Hearing Date and Notice. A hearing shall be held as soon as possible after the grand jury has determined that there is probable cause to believe the accused has violated the Honor Code. In no case shall more than 45 days elapse between the suspected violation report and the hearing, unless a later date is agreed upon by the Prosecutor and the student charged.

The student shall be notified of a hearing in writing by the Chief Justice. The notice shall set forth the date, time and place of the alleged violation, the conduct to be inquired into, and the date, time, and place of hearing before the Honor Court. The notice shall be given at least seven (7) days in advance of the scheduled date of the hearing, unless a shorter time be fixed for good cause.

VII. Hearing Procedure

.01 Confidentiality. Honor Court hearings shall be closed to the public unless the accused requests a public hearing, in which case one shall be provided. An audio recording shall be made of the proceeding and shall become part of the record.

.02 Ex Parte Communication. Except as to procedural matters, there shall be no ex parte communication with any Justice by the Prosecutor, by defense counsel or by the accused.

.03 Pre-Trial Motions. All pre-trial motions, including motions in limine, shall be in writing and given to the Chief Justice at least four days prior to the hearing. The Court may set a time limit on hearing pre-trial motions. The Court shall hear pre-trial motions no later than the day before the trial.

.04 Evidence. A student defendant or prosecutor appearing before the Honor Court shall have the right to present any evidence by witness or affidavit relating to any charge or defense. The formal rules of evidence shall not apply and the Court may consider relevant testimony of witnesses, affidavits, written reports, and any other relevant evidence.

.05 Witnesses. At least two (2) days in advance of the scheduled date of the hearing, witnesses shall be notified by the party calling them of their obligation to appear. Witnesses shall bring with them whatever documentation is requested. Failure of a student witness to appear, without good cause, is a violation of this Code.

The Prosecutor may not call the defendant as a witness. The defendant may elect to testify or not, as he or she chooses. No unfavorable inference may be drawn should the defendant choose not to testify.

.06 The Court. The Chief Justice shall preside at the hearing. The Prosecutor shall present the case against the accused. The accused may represent him or herself or may be represented by an advisor or legal counsel.

.07 The Hearing. The Prosecutor shall make an opening statement and present the evidence against the accused. The Accused or his or her representative may elect to make an opening statement either at the conclusion of the Prosecutor's opening or after the Prosecution's evidence has been presented. At the conclusion of the Prosecution's case-in-chief, the accused may present his or her evidence.

Each party shall have the right to cross-examine the opposing party's witnesses. Either party may present further rebuttal evidence when, in the discretion of the Chief Justice such evidence is relevant and will not unduly delay the proceedings. After all evidence has been presented, the Prosecutor may make a closing argument, if so elected, the Prosecutor may present a rebuttal.

.08 Court's Decision. The Court shall promptly deliberate and make its findings and determinations in executive session. If seventy-five percent (75%) of the members of the court find by clear and convincing evidence that the accused has committed the violations charged, it shall recommend to the Dean one or more of the sanctions prescribed in 8.02, subject to the mitigating circumstances exception in 8.03.

If at all possible, the Court shall render a decision immediately following its deliberations. In no event shall its decision be announced later than three (3) days following the conclusion of the hearing. An oral presentation of the Court's findings and recommendations is permitted following the hearing,

but a written report including findings of facts, conclusions and recommended disposition shall be filed within one week after conclusion of the hearing. Concurring or dissenting opinions may be filed according to the same terms.

The report of the Court, including any concurring or dissenting opinions, and the entire record of the proceedings shall be submitted to the Dean and the accused as soon as possible after issuance.

.09 Procedural Questions. Procedural questions arising during the course of proceedings that are not covered by these rules shall be resolved by the Chief Justice. All objections concerning procedure shall be made/raised in writing to the Chief Justice. The Chief Justice shall answer all objections in writing and forward both the objection and the decision to both the Prosecutor and defense counsel and to all other justices sitting on the Court for that hearing.

The decision of the Chief Justice on a procedural question may be challenged by the accused, the prosecutor, or a sitting member of the Court. The Chief Justice shall present any challenge to the sitting Court and the ruling of the majority of the Court shall be final. There shall be a form, prepared by the Chief Justice, for appealing a procedural decision. The party challenging the decision shall complete the form and forward a copy to all sitting justices. All such challenges must be made on a timely basis.

.10 Review of Record by Dean. Upon receipt of the Court's report, the Dean will, within a reasonable amount of time, review the entire record, including the Court's findings of facts, conclusions and recommendations and render a decision in the case.

The Dean may remand for further consideration of specific issues. A decision by the Dean to remand shall include a list of questions for the Court. The Court shall then respond in writing within fourteen (14) calendar days. The Dean may not reverse a finding of not guilty by the Court.

The Dean's decision shall be transmitted in writing to the accused and to the Chief Justice of the Honor Court. Where the accused has been found guilty by the Court, a copy of the Dean's decision will be placed in the student's official file.

VIII. Sanctions

.01 Report of Misconduct. Where a finding that the accused has violated the Code has been made, the misconduct may be called to the attention of the proper University authorities, Bar authorities or any other affected parties for appropriate action.

.02 Sanctions. The following sanctions may be recommended by the Court to the Dean and imposed by the Dean:

1. Expulsion. Permanent separation of the student from the School of Law.
2. Dismissal. An involuntary separation of the student from the School of Law. It does not imply or state a minimum separation time.
3. Suspension. Separation of the student from the School of Law for a definite period of time, after which the student is eligible to return. Conditions for readmission may be specified.
4. Probation. Disciplinary probation, subject to any appropriate terms or conditions.
5. Reprimand. Written or oral reprimand.

.03 Mitigating Circumstances. When considering a recommended sanction upon finding that a violation has occurred, the Court may consider mitigating circumstances such as, but not limited to, any physical, mental, financial, or emotional problems of the accused. If the severity of mitigating circumstances requires, the Court may recommend no sanction be levied on the accused, even though a violation has occurred.

If the Court considers mitigating circumstances when recommending a sanction, the written report of the Court shall include a full explanation thereof.

IX. Appeals

.01 Right to Petition for Review (other than dismissal or suspension). In all cases where the discipline imposed by the Dean is other than dismissal or suspension, the accused may petition the Chancellor in writing for a review of the decision within ten (10) consecutive calendar days after notification. A copy of the Petition for Review must also be served upon the Dean within such time. The Petition for Review shall state the grounds or reasons for review, and the Dean may answer the petition within ten (10) consecutive calendar days if he or she so desires.

The Chancellor or his or her designated representative may grant or refuse the right of review. In all cases where the Petition for Review is refused, the decision shall be final. If the Chancellor or representative reviews the decision, the action of the Chancellor shall be final unless it be to remand the matter for further proceedings.

.02 Right of Appeal (dismissal or suspension only). When a student is dismissed or suspended from the University for an Honor Code violation by the Dean, the student may appeal such decision to the Chancellor within twenty (20) consecutive days after notification of the decision of the Dean. A copy of the notice of appeal will contemporaneously be given by the student to the Dean. The student may file a written memorandum for consideration by the Chancellor with the notice of appeal, and the Chancellor may request a reply to such memorandum by the appropriate party. The Chancellor or his/her designee shall review the full record of the case and the appeal documents and may affirm, reverse, or remand the case for further proceedings and shall notify the Dean and the student in writing of the decision on the appeal. The action of the Chancellor shall be final unless it be to remand the matter for further proceedings.

.03 Status During Appeal. In the cases of suspension or dismissal where a notice of appeal is filed within the required time, a student may petition the Chancellor in writing for permission to attend classes pending final determination of appeal. The Chancellor may permit a student to continue in

school under such conditions as may be designated pending completion of appellate procedures, provided such continuance will not seriously disrupt the University or constitute a danger to the health, safety or welfare of the University community. In such event, however, any final disciplinary action imposed shall be effective from the date of the action of the Dean.

X. Advisory Opinions

- .01 When required to do so, the Court may render advisory opinions on matters relating to the application of the Code.
- .02 A box shall be located in a public area of the Law School for the purpose of receiving written requests by students of the Law School for advisory opinions.
- .03 The Honor Court shall submit its advisory opinion, in writing, to the Dean and the SBA President.
- .04 The Dean, within a reasonable time, shall respond to the advisory opinion.
- .05 The advisory opinion and the Dean's response shall be appropriately posted and made available to the students in the library.
- .06 Conduct consistent with an advisory opinion shall be presumed not to be in violation of the Code.

XI. Amendments

- .01 Amendments to the Honor Code may be proposed by petition of any ten (10) students, by the Board of Governors of the Student Bar Association on its own motion, or by petition of a majority of the Honor Court.
- .02 A proposed amendment shall be adopted if at the adoption election at least two-thirds (2/3) of the students voting shall vote favoring the proposed amendment.

XII. Adoption

This Honor Code shall be in effect when approved by a two-thirds vote of the students voting, by the Dean of the School of Law, the Chancellor, and by the Board of Curators.

Statement of Financial Responsibility

Before a student can register for a term, they must electronically agree to or sign a hard copy of the Statement of Financial Responsibility. Students can accept the agreement through Pathway or sign a physical copy and submit it to the Registrar's Office.

I understand and agree that my registration and acceptance of the terms of this Statement of Financial Responsibility constitutes a promissory note (i.e. a financial obligation in the form of an educational loan as defined by the U.S. Bankruptcy Code at 11 U.S.C. §523(a)(8)) in which the University is providing me educational services, deferring some or all of my payment obligations for those services, and I promise to pay for all assessed tuition, fees, and other associated costs by the applicable due date.

Payment of Fees

All fees are due and payable to the University and are the student's responsibility to pay as the result of registration or other activity that incurred charges to the student. A minimum payment option is available for students unable to complete their financial arrangements at the time of registration. Students with delinquent accounts will not be allowed to register in subsequent semesters. All payments received are final, no changes or adjustments are allowed to the payment amount once the payment has been processed. Reassessment of fees will still occur based on the established reassessment schedule. The tuition and fee payment schedule may be found at www.umkc.edu/cashiers.

Electronic Billing

Electronic billing is the official method for billing all enrolled students. Billing statements are updated monthly. Students are notified at their UMKC e-mail address when the statement is available for viewing. Electronic billing statements can be viewed from Pathway. Instructions on accessing invoices in Pathway are included in the email notification.

E-mail and Online Statements

UMKC e-mail is the official University method of communication with the student. It is the student's responsibility to check and responsibly manage their UMKC e-mail account so that important information can be received. As billing statements are available online, failure to receive a billing statement does not constitute a valid reason for not paying a bill in a timely manner. Actions and charges that result from failure to pay charges on time or to respond to a cashier's office message regarding a student account are the student's responsibility.

Late Payment Fees

Student accounts will be subject to a late fee every billing period when the minimum payment is not received and processed by the scheduled due date as communicated on the student's Monthly Billing Statement.

Finance Charges

The University will assess a monthly 1 percent finance charge on any account that remains unpaid after the payment due date. A finance charge is always assessed on any remaining Adjusted Amount Due after the payment due date; therefore, it is to the advantage of the student to avoid finance charges by paying the account balance in full.

Late Registration Fee

Any student registering on or after the first day of classes will be assessed a late registration fee by the Registrar's Office.

Withdrawal

It is the student's responsibility to formally withdraw from classes and follow all proper procedures when withdrawing from the University; including the completion of a total withdrawal exit survey. Failure to pay fees, failure to receive financial aid, failure to attend class, or refusing financial aid does not constitute an official withdrawal from University of Missouri-Kansas City.

Drop for Non-Payment

The University reserves the right to administratively drop a student's courses for non-payment if a minimum payment has not been made by the first semester due date (August 10th for Fall, January 10th for Spring). The drop for nonpayment process does not currently take place during the Summer term. Reduction of fees for courses dropped for non-payment is subject to the established refund schedule for that semester. Students with who have applied for federal aid for that semester may be exempt from the drop process.

Fee Reassessment for Adding Classes, Dropping Classes, Cancellation or Withdrawal from School

Fees will be reassessed for students who officially cancel classes, withdraw from the University or add/drop classes. Fees included in this reassessment are the educational fee; non-resident fee; student activity and program fees; ancillary fees: information technology fee and course fee (if applicable). Such fees are reassessed and reduced in accordance with the reassessment schedule for each term found on the Record and Registration Office website. The official refund policy is online at <https://www.umkc.edu/finadmin/cashiers/tuition-fee-refunds.asp>. The University at any time may add/remove any fees if found that a student was not previously correctly assessed. This can include education fee, non-resident fee, student activity and program fee, ancillary fee, information technology fee, course fee (if applicable), or any fee, charge or adjustment from another university department. If this occurs, the charge/credit will appear on the next billing statement.

Financial Holds

Any student who owes a balance to the University of Missouri – Kansas City will be unable to receive a copy of a transcript or diploma until that balance is paid in full and will have a financial hold assigned to prevent a transcript/diploma from being issued. If payment is not received by the due date communicated on your monthly billing statement, an additional financial hold will be assigned and may prevent enrollment in the current or future semesters, impact your ability to start a new housing contract for future semesters, and prevent you from utilizing your charging privileges. Limited exceptions may be made and due to the timing of holds being placed the ability to obtain a transcript or enroll in future semesters does not necessarily mean your prior term balance has been paid in full.

Communication

At times, it may be necessary to contact students in regards to student financial information. Because email is the official method of communication, the UMKC Cashiers Office will attempt to contact students via email. If email communication is deemed to be unsuccessful or the information to be communicated is of high importance or urgency, other methods of communication may be used. Agreement to this Statement of Financial Responsibility authorizes the Cashiers Office to utilize any and all addresses, electronic addresses, and phone numbers (including cellular phone numbers) when attempting to contact students in regards to financial information. It is also agreed that the Cashiers Office may disclose all contact information along with other relevant information to any outside collection agency used for the collection of student account fees.

Delinquent Indebtedness

In addition to assessing a monthly late fee and finance charge, the University will pursue all collection efforts and practices in collecting any unpaid balance. These practices include placing phone calls, mailing/emailing invoices and collection notices, utilizing the Missouri Department of Revenue's Debt Offset Program to intercept state tax refunds, referring the account to a collection agency and having the debt reported on your credit bureau reports, and referring the balance to an attorney to pursue the balance via litigation. If your account balance is referred to an outside collection agency your account may be assessed an additional collection fee of 30 percent of your outstanding principal balance. This one-time fee would be used to offset any and all costs and expenses, including reasonable attorney's fees and collection agency commission that the University may incur in such collection efforts. The University may also assess any additional collection related expenses in excess of the collection fee as allowed by law.

Right to Modify

The University reserves the right to modify by increase or decrease the fees charged for attendance and other services at the University, including but not limited to educational fees, at any time when in the discretion of the governing board the same is in the best interest of the University, provided that no increases can or will be effective unless approved by the governing board not less than 30 days prior to the beginning of the academic term (semester, etc.) to which the fees are applicable, with all modification of fees to be effective irrespective as to whether fees have or have not been paid by or on behalf of a student prior to the effective date of the modification.

Minimum Fee Payment Plan

The student's account is billed for the full account balance for each payment date. However, a minimum payment amount is allowed. The minimum payment amount is derived by dividing the current term charges by the number of scheduled payment dates remaining in the semester, and adding the total of any previous semester remaining balance. The required minimum payment must be made by the due date to avoid late fees. You may pay the total minimum due or any amount greater than the required minimum. Any payment amount less than the total Adjusted Account Balance will result in a 1 percent monthly finance charge on the unpaid remainder and a service indicator will be placed on the student account to prevent transcript release until the balance is paid in full. Enrollment is not complete until the minimum payment is made.

Financial Aid

Financial aid (grants, scholarships, loans) that has been approved but has not yet paid to the student account is considered to be “anticipated”. Anticipated aid is deducted from the current term balance in the Statement Details area of your monthly billing statement. The balance remaining will be billed to the student and the minimum payment must be paid by the due date communicated on the billing statement. If payment for the total Adjusted Amount Due is not received, the remaining balance is subject to the 1 percent monthly finance charge. If the minimum payment is not made, a late fee will assess. When the aid is received, it will be applied to the student account but there will be no reduction in the amount due since the aid was already taken into consideration and deducted from the current term balance. Current term federally funded financial aid cannot be used to pay balances due from a previous aid year. Private loans and scholarships will pay toward any balance remaining on the account, including past aid year amounts.

Third Party Sponsorship

If part or all of your educational expenses are paid by an embassy, agency or company, you may be able to elect to have them billed through our Sponsor Billing process. Written authorization from your sponsor is required and should be directed to UMKC Cashier’s Office, 5100 Rockhill Road, Administrative Center 112, Kansas City, MO 64110, Attn: Sponsor Billing. If the sponsor is authorized, then upon receipt of a completed billing authorization, a credit will be posted to your student fee account for the amount authorized. We will bill the sponsor directly on your behalf. If the sponsor does not pay in a timely manner, the third party credit will be removed from your account and you will be responsible for payment. If you do not have full sponsorship for all your fees, you must make at least the minimum payment in order to hold your classes. If you pay less than the full billed balance, you will be subject to a 1 percent monthly finance charge on the unpaid billed balance. If you owe a past term balance, it must be paid in full. Failure to turn in third-party authorizations in a timely manner may result in fees that the student remains responsible for paying. The University reserves the right to require payment to be received from a sponsor before any credit is given and to apply holds preventing transcript and diploma release or to prevent future enrollment to student accounts if payment has not been received from a sponsor by the end of the term for which authorization is received.

Payment Methods

Personal checks - The amount of the personal check may not exceed the amount due from the student. A student whose checks are returned from the bank unpaid will incur a returned check fee. A student presenting a check for fees to the University that is returned unpaid and remains unpaid after the close of the regular registration period may be considered a late registrant and be subject to the late registration fee; the enrollment may also be subject to cancellation.

E-check - Electronic check payment can be made for the amount due online via Pathway. There is no processing fee associated with electronic check payments. A returned check fee will be charged for any electronic checks that are not honored by your bank.

Visa, MasterCard, Discover, or American Express - Credit card payments may only be made through our third party vendor which can be accessed via Pathway. Payment will be accepted on the student’s account up to the credit limit of the card holder and may not exceed the amount due. Be aware the third party vendor assess an additional convenience fee will apply to the amount of the payment. Refunds based on credit card payments will be refunded to the credit card, however convenience fees cannot be refunded.

Wire Transfer – Contact the UMKC Cashiers Office for instructions on completing a wire transfer payment.

Returned Checks

Any check not honored by your bank will result in a non-refundable returned check charge. If the returned check, including e-check payments, was written to pay a prior term balance, your classes may be subject to cancellation. Any checks written to UMKC for other departments may be charged to your student account and billed by the Cashiers Office. Such charges will incur all related billing fees. Returned checks that remain unpaid for greater than 30 days may be referred to the Jackson County Prosecutor’s Office for collection. The University reserves the right to deny any student check-writing privileges with repeated or egregious attempts to pass a bad check.

Student Charge

The University may elect to allow certain auxiliary services to add charges to the student account for billing and payment purposes. Any charges added to the student account for benefit of a department become subject to the policies of the Cashiers Office.

Personal Banking Online Payments

Payments made with your online banking service may result in a significant delay in the processing. We make no guarantees that your payment can be received and processed by the due date.

Bankruptcy

Educational and related fees are generally non-dischargeable in bankruptcy and will survive after the bankruptcy has closed. Except in certain limited situations, this means that a student will still owe the debt to the University after the bankruptcy.
