NALI allows any third party to verify certificate authenticity by providing the student's last name, date of course completion, and the certificate number. When this information matches, a digital copy of the certificate of course completion may be provided to the third party for the purpose of performing a visual comparison to further ensure certificate authenticity.*

6. Forward your **Certificate of Completion** to the Kansas City Youth Court at [kansascityyouthcourt@gmail.com](mailto:kansascityyouthcourt@gmail.com) **within sixty (60) days of your adjudication.**
