COURSE NAME: United States Environmental Protection Agency Clinic, Region VII

COURSE NUMBER: 8782S

PROFESSOR: William G. Eckhardt

ESSENTIAL PREREQUISITES: Must have completed two semesters of law school.

DESIRABLE PREREQUISITES: Completion of an environmental law course at the law school.

METHOD OF GRADING & APPRAISAL OF STUDENT FOR GRADE: Pass/Fail

SUMMARY DESCRIPTION OF COURSE & CONTENT: Students will be assigned to work at the EPS's Region VII Headquarters in Kansas City, Ks. Under the supervision of an EPA attorney, students will be expected to perform legal research, write memoranda, develop compliance assistance materials, respond to inquiries from the regulated community, and participate as appropriate in meetings, conferences, and training sessions with the EPA. Students will attend regular conferences with their Supervising Attorney and Faculty Supervisor, and will produce a final written project based on their experience. Students must have completed two semesters of law school. Preference will be given to students who have completed an environmental course at the Law School. Eligible students will be screened and selected. Positions limited. Ungraded, pass/fail.
