Non-Discrimination Policy

In accordance with Section 6-3 of the Bylaws of the Association of American Law Schools and Standard 211(d) of the American Bar Association, the University of Missouri-Kansas City School of Law is committed to the principle of equal employment opportunity for all its students and graduates, commensurate with their abilities and not limited by invidious discrimination, including discrimination based on, race, sex, age, religion, color, national origin, handicap, disability, sexual orientation, or any basis forbidden by applicable law or university regulation.

Please confirm that your standards and procedures are consistent with this policy by accepting the policy affirmation associated with your Symplicity account (https://law.umkc-csm.symplicity.com/), or signing and returning this form to:
